MimioStudio Basics II: A Tour of MimioStudio Gallery

This one-hour, live, online training session provides an overview of MimioStudio™ Gallery. Participants will explore MimioStudio Gallery and learn how to import Gallery files. They will be able to practice their new skills during the session, and to consider ways they can apply what they've learned to their own teaching.

Participants will:

- Access the MimioStudio Gallery.
- Learn the difference between an INK file and an MCF file.
- Explore the functions of MimioStudio Gallery including:
 - Navigating
 - Searching
 - Moving Gallery files within the Gallery
 - Importing Content Packs
 - Importing MCF files.
- Import various file types into MimioStudio Gallery.
- Export Gallery content.

During the session, participants will have the opportunity to ask questions and interact with the software. Participants who successfully complete the session will advance their Mimio skills and understand how to use MimioStudio software more effectively.

We encourage participants to attend additional sessions to maximize their abilities with Mimio products and bring their teaching into the 21st century!
