MimioQuickLearn

MimioStudio Intermediate II: Formatting II

This one-hour, live, online training session provides participants with advanced formatting skills. Participants will learn techniques that facilitate interactivity within their lessons. They will have the opportunity to practice their new skills during the session, and to consider ways they can apply what they've learned to their own teaching.

Participants will format MimioStudio™ Notebook pages using:

- Object Cloning
- Object Hyperlinking
- Object Action Settings
- Backgrounds/Templates
- Page Transitions

During the session, participants will have the opportunity to ask questions and interact with the software. Participants who successfully complete the session will advance their Mimio skills and understand how to use MimioStudio software more effectively.

We encourage participants to attend additional sessions to maximize their abilities with Mimio products and bring their teaching into the 21st century!
