MimioQuickLearn

MimioStudio Intermediate III: Presenting Lessons

This one-hour, live, online training session gives participants a working knowledge of MimioStudio™ Presentation Tools. Participants will learn the ins and outs of the Tools that simplify lesson presentation, and will have the opportunity to practice their new skills. They will also consider how best to apply what they've learned to their own teaching.

Participants will:

- Use the Reveal Tool.
- Use the Spotlight Tool.
- Use the Calculator Tool.
- Use the Magnifier Tool.
- Use File Attachment.
- Use Screen Annotation.

During the session, participants will have the opportunity to ask questions and interact with the software. Participants who successfully complete the session will advance their Mimio skills and understand how to use MimioStudio software more effectively.

We encourage participants to attend additional sessions to maximize their abilities with Mimio products and bring their teaching into the 21st century!
