MimioQuickLearn

MimioVote: Setup and Support

This one-hour, live, online training session provides participants with all the basics of the MimioVote™ assessment system. Participants will learn everything from powering the MimioVote station to adding MimioVote templates to their lessons. They will have the opportunity to practice their new skills during the session, and to consider ways they can apply assessment to their own teaching.

Participants will:

- Download and install MimioStudio™ software.
- Participate in a hardware review.
- Learn how to connect to the MimioHub™ wireless receiver.
- Learn how to power the MimioVote station.
- Practice using the station buttons.
- Learn how to clean the the MimioVote station and handsets.
- Get an overview of the MimioVote toolbar.

During the session, participants will have the opportunity to ask questions and interact with the software. Participants who successfully complete the session will advance their Mimio skills and understand how to use MimioStudio software more effectively.

We encourage participants to attend additional sessions to maximize their abilities with Mimio products and bring their teaching into the 21st century!
